Re: Letter of recommendation for Gianluca Pascale / Centrecon Inc.

To Whom it may concern

It's my pleasure to write this letter of recommendation for Gianluca Pascale, principle and owner of Centrecon Inc.. I personally as well as my company have collaborated on past projects with Gianluca which involved a variety of different construction and renovation activities.

Gianluca's attention to detail, his understanding of the client's requirements and needs, diligence to safety and overall ability to coordinate trades was evident. Our working relationship has enabled us to work together on several projects throughout the years and we look forward to many more.

I would not hesitate to recommend Gianluca and his firm to any interested clients.

Should you have any further questions, do not hesitate to contact me.

Sincerely,

Scott Johnston, President
