To whom it may concern:

It is with great pleasure that I write this letter of recommendation for Centrecon Inc. We have had the pleasure of collaborating with Centrecon Inc on a recent addition to one of our tenanted industrial properties. The work involved a high level of coordination which occurred in a very tight timeline; all of which Centrecon was more than capable of accommodating. Moreso, we found Centrecon's approach to be very transparent and extremely conscientious of our tenant's daily activities. This level of service, among others not listed, has distinguished them as a future partner for our construction needs. As such, we would not hesitate in recommending Centrecon Inc for your construction and/or renovation needs.

Should there be any further queries, do not hesitate to contact me.

Sincerely,

Jay C. Basian, Principal
